Cocker Spaniels have long ears that drop down. Cocker Spaniels need food and water. Cocker Spaniels also have four paws and some cocker spaniels have long hair and some have short hair.

Cocker Spaniels live all over the world. Some people have cocker spaniels for pets. The American cocker spaniel weighs from 26 to 36 pounds.

Cocker spaniels also need room to run around and play. You also need to buy cocker spaniels toys to play with. You might want to get your cocker spaniel a friend to play with.
