

# Cloud rap

Do you know about clouds?  
They can make a big POW!  
Kids think they weigh a million bb Pounds.  
You may see a horse, pony, or even a COW!  
Yo Yo Cloud rap yawl

Clouds make ice, snow, rain, and Hail.  
That's right  
They make it possible to sail.  
Clouds produce wind, and hide the sun,  
May not sound very fun.  
But to you and me,  
They move like honeybees.  
There are many types of clouds, (Clap routine) clouds that make  
rain,
