

Hurricane Surprise!!

First get a spool of wind
2 1/2 cups of mud
3 palm trees
1/4 cup of clams
50 gallons of warm water
10 ships
5 seagulls
7 tidal waves

Stir until creamy. Then put the bowl near warm water and cold wind for 5 minutes now stand back! The hurricane surprise will shoot up on land while destroying everything in its path. The Hurricane Surprise will spin around on land for 1 hour at winds up to 150 miles per hour. After 1 hour the bowl will stop spinning and you will be done. Congratulations you made Hurricane Surprise and survived!
